Greetings and happy fall!

My name is Sarah Spigno, I am a member of the Rochester North Oakland Elks Lodge #2225, located just north of Rochester Hills. Each year, the Lodge holds several free community events for children, seniors, and veterans. Our events are run completely by volunteers.

It's fall and we're getting ready for one of our most popular free community events – our Pumpkin Patch and Trick-or-Treat Village. On October 25th, 2025, area children will pick a pumpkin to paint, participate in fun activities, and enjoy a free meal. The highlight of the event is trick-or-treating at our Trick-or-Treat Village where kids visit various local business booths.

We have availability this fall to add a few more local businesses to the Trick-or-Treat Village and are hopeful that you would be interested in sponsoring a booth where local children and their families would see your business showcased. We typically expect an attendance of approximately 30-50 children and their families. We would love to include your business!

A donation of \$300 would secure your spot on the Trick-or-Treat Village for years to come with a new board and placement on our website at the link below. At the event, we can include business cards, flyers, or other advertising information (that you provide). Your generous donation would cover the costs of building and painting your custom board and help us provide supplies, candy, and food for the kids in attendance. Existing sponsors can have their board updated with fresh paint and/or new logo with a donation of \$200.

You can mail your donations to our address above, donate online at <https://rnoelks.org/pumpkin-patch.html>, or contact me to arrange drop-off.

I hope that you will consider sponsoring a booth or sending a donation to help us create a fun Halloween event for our local kids again this year. I am available for any questions or if you would like to talk about this great cause! Please feel free to contact me at 989-600-2677 or sarah.spigno@gmail.com.

Sincerely,

A handwritten signature in black ink that reads "Sarah M. Spigno".
